

Participation in International Initiatives and Activities with Government and Industry Groups

We are actively participating in international initiatives to contribute to the resolution of social issues on a global scale. In Japan, the Sekisui House Group has a large role and responsibility in improving housing and living conditions. We therefore participate in the initiatives of many industry groups.

Major Initiatives We Support

Name	Logo	Activities
United Nations Global Compact (UNGC)		An initiative advocated by the United Nations that requires companies to comply with and implement 10 principles in the areas of "human rights," "labour," "environment" and "anti-corruption." We joined in September 2018 and participate in a sub-committee of the Global Compact Network Japan (GCNJ).
RE100 Initiative		An international initiative of major companies around the world pledging to use 100% renewable energy in their business operations. We joined in October 2017, becoming the second Japanese company to do so.
TCFD Consortium		The Task Force on Climate-related Financial Disclosures (TCFD) is a framework for disclosing financial information on corporate climate change initiatives and impacts. The TCFD Consortium was organized by companies supporting the TCFD. We joined in July 2018, with an endorsement of the TCFD.
SBT Initiative		An initiative requiring companies to adopt evidence-based CO ₂ emissions reduction targets. In May 2023, our targets were certified as being consistent with the 1.5°C target under the Paris Agreement.
Japan Climate Initiative (JCI)		A network of non-governmental organizations encompassing enterprises, local governments and other organizations working actively on climate change countermeasures. We have participated in the network since its establishment in July 2018.
Japan Climate Leaders' Partnership (JCLP)		A group of corporations aiming to achieve a carbon-free society committed to sustainability. We formally joined as a full member in August 2016. We participate in such projects as "EV Project" and "Thermal Project."
Global Alliance for Buildings and Construction (GlobalABC)		An organization of numerous companies, local governments, organizations, NGOs and others aiming for zero emissions, high efficiency and resilience in the fields of architecture and construction. We have participated since May 2016.
Japan Business Initiative for Biodiversity (JBIB)		An initiative of highly motivated companies committed to biodiversity conservation and sustainability. We have participated in this initiative since its beginning in April 2008.
TNFD Forum and TNFD Early Adopter		An initiative that shares the vision and mission of the Taskforce on Nature-related Financial Disclosures (TNFD) and provides technical support aimed at sharing information and building frameworks. We have participated since February 2022. We are registered as a TNFD Early Adopter, which we disclosed in January 2024.
